

EU COMPETITION DAY

Belgian Presidency
of the Council of the
European Union

“A Competition Policy That Protects Our People, Strengthens Our Economy And Prepares For Our Shared Future”

26.04.2024

Dear Sir or Madam,

As part of the Belgian Presidency of the Council of the European Union, the Federal Public Service Economy and the Belgian Competition Authority will jointly host the EU Competition Day on Friday 26 April 2024.

The overall theme of the EU Competition Day reflects the motto of the Belgian Presidency: “Protect, Strengthen, Prepare”. Hence, it will successively address the challenges faced by competition policy in:

- (i) delivering results in uncertain geo-economic times,
- (ii) promoting innovation and opportunities in digital markets in the post-DMA context,
- (iii) protecting the EU economy, and
- (iv) policing the agri-food industry in the ongoing inflationary context.

Contributors to the EU Competition Day will include vice-Prime Minister Pierre-Yves Dermagne, EU Commissioner Margrethe Vestager, Professor Mathias Dewatripont, Professor Fiona Scott Morton, Professor Ioannis Lianos, DG COMP Director-General Olivier Guersent, ACM Chairman Martijn Snoep, BwB Director-General Natalie Harsdorf-Borsch, AdC Board Member Ana Sofia Rodrigues, DG COMP Director Inge Bernaerts and Heads of Unit Eddy De Smijter and Philippe Chauve, among others.

Programme
